ACCT/MIS 4420 & 5420: Weekly Due Dates

Generative AI in Business Decision-Making · Spring 2027 · Course dates: Tuesday, January 19 to Friday, April 16, 2027

Every due date is 11:59 pm on the Sunday after that week's work. Graduate students (5420) submit the same documents with the additional graduate items described in each module. Each module's Word document is built by the course website and uploaded in Canvas; each quiz is taken in Canvas.

Week	Work week	Module	Assignment	What is due	Due date (11:59 pm)
1	Jan 19–22	**Module 1: AI as a Capability**	Word document: "What Can AI Do for Velox?" (task sorting, two AI tests, memo to the CFO)	**Word document + quiz**	**Sun, Jan 24**
